

# **30 October 2014 Symposium on Sustainable Development Marrakesh, Morocco**

**by andrewproudlove**

The Fact Finding Mission (FFM) to Marrakesh consisted of Veronica BALDO (Non-Key Expert WG5) and Alexandre CUSTAUD (Non-Key Expert WG1).

The main objectives of attending the Symposium on Sustainable Development held at the Golden Tulip Hotel in Marrakech were to collect information, to complete the working document and the country profile of Morocco and to meet Project 35 potential stakeholders.

**Sous l'égide  
du Ministère de la Santé  
et Ministère chargé de l'Environnement**

**Le CHU de Marrakech  
en collaboration avec la GIZ  
organise**

**Le premier symposium national sur le  
Développement Durable  
en milieu hospitalier**

**sous le thème :**

**« Engagés ensemble, au quotidien pour  
un hôpital éco responsable »**

During Symposium lectures, the two experts got the opportunity to better understand the issues concerning the sustainable development, in particular applied to hospitals and their waste management in Morocco.
